

USIHC Board Meeting

November 12, 2024 Meeting Minutes

Called to order. Present: VL, JR, LN, AC, LC, EP, CC, and JM. Not present: PH.

- I. President's Report -
 - A. National Team Clinic with Olin - very positive, fun, and successful.
 - B. Safesport - is this a requirement we should have for participation in USIHC events? It's fairly standard across sports. How to allocate funding? Who all needs to participate in SafeSport training? Start with National Team, WC Team, Youth Cup (parents and kids), and WR shows? Decision is to have a committee appointed to create a proposal prior to the December meeting. Committee is Lucy, Virginia, and Janet.
 - C. Annual Meeting - Speaker is Freyja Thye - Topic - Good HorseKeeping Practices.
 - D. Education Series - Olin Amble - how to read a breeding assessment, Brett Sponseller, UK Prof., topic on transporting horses to events; Diet for Easy Keepers (speaker pending); and Riding Mindset (speaker pending)
- II. VP, Secretary - no news.
- III. Treasury Reports - see financials. Membership - 896 members, 694 households
- IV. Clubs
 - A. Affiliated - Only 4 of 12 funds took advantage of Policy 31 funding (\$1,200 used of \$6,000 budgeted). Potential for a South Carolina club, but that hasn't happened yet. Flugnir Club is going to fold. Concern is that affiliated clubs are leaving money on the table. VL suggests that we try to invest more in the active clubs. Problem is - clubs tend to thrive when they're run by the same people who run training / lesson centers. Entries for virtual shows are consistent. 60 entries, total, which is down from the 100 that we had at the peak of the virtual show. ToltSense is a successful platform, but perhaps we want to drop to a 3-judge panel? Perhaps just do one per year? Several options to consider going forward.
 - B. Breeding - Only one official breeding evaluation for the year, June 9-10 at Montare. Harmony to work on a mock breeding show / clinic the week after.
 - C. Education - Education is doing well with good engagement, and the book club well attended. Continuing education requirements will be promoted on FB, and they're working on an automated form. Debate on whether to require a first aid course as

part of this, but at a minimum, it should be allowed to count for continuing education credit. Education is updating the process and requirements to list people on the USIHC website - will come through for the next board meeting.

- D. Leisure - S2SS updates - Next year's S2SS is going to go from farm to farm throughout the US. Allows farms to have their own promotional opportunities. JM asks for leisure committee money to go to each farm to promote their farm as the S2SS ride starts up next year. JM will make a proposal to the budget. Could riders get a post-card from each farm as they pass the checkpoints? Can we shift some budget funds towards this, perhaps from affiliated clubs, since that's going unused? We'd need 125 cards for the beginning farms, tapering down as the ride progresses. Perhaps if we can find a postcard for less than 75 cents a card we can make this viable? Farms could chose a post-card or sticker to send to each rider that passes the farm on the farm to promote each farm. Discussion to allocate a certain dollar amount per farm to allow them to send promotional materials. No need to vote right now - to be addressed during the budget meeting and as the S2SS plans continue to come together.
- E. Sport -
1. WC Flex Spot Policy: Sport committee met and reviewed and approved a flex spot policy to expand the WC qualification routes. CC proposes an amendment to limit flex spots to either no more than one WC year in a row, JSR moves to approve, VL 2nd's, motion carries with all in favor.
 2. Lettleiki is hosting a USIHC judging seminar. In the past, it was sometimes organized by the farm, other times organized by the USIHC. Here, Alex P. Is organizing this on behalf of the USIHC. In the past, the organizer submitted a budget, and the USIHC gave them stop-gap funding to prevent it from losing money. VL suggests we run this like we run the trainer certification, run the registration funds through the USIHC, and the USIHC retains some control of the curriculum. VL motions to have judging seminars going forward under the USIHC. LC 2nd's. All vote in favor.
 3. Judges Code of Conduct - question about circumstances where judges have a personal relationship with participants. National and International Judges should sign a code of conduct based on the FEIF website. This was edited to make it work with national ranking competitions. VL: The challenge here is that housing is provided by hosts. VL consulted with Thorgeir G. - there's a big difference with a judge being hosted versus a judge having to judge horses owned by an employer, particularly in a national ranking / world ranking situation. WR judges have to sign the code of conduct for WR events. Do we extend this to NR events? LC moves hat we adopt the FEIF code of conduct for WR shows, as edited to apply to NR shows. 2nd by Asta. JM - if we impose a code of conduct for judges, we should also do it for riders and participants, such as through SafeSport, too. Vote - JM abstains, rest vote in favor, motion carries.
- F. Promotion - USIHC has an ad in Horses Illustrated Best of Breeds. CIA got their promotional banner. Em to send a draft document to the board as she finalizes it. She's working on her transition off the board (thank you Em!).

- G. Quarterly - see attached report. Nancy is transitioning away from this role (thank you Nancy!). The new board member will need to work with Nancy to help transition things going forward.
- V. Old Business -
- VI. New Business -
 - A. Helping new board members get up to speed. Often, we've had the new board members join for the last meeting of the year. This year our election ends after the Dec. board meeting. We'll look at this for 2025.
 - B. Ad-Hoc Marketing - Carrie suggested additional marketing efforts. Em suggests more web content publishing, even if it's just re-posting old quarterly articles. Is there something we can promote what we value about the breed? What are our unique values with an Icelandic horse? How might we promote that to attract more like-minded people to our organization. VL will follow up with Carrie.
 - C. 2025 Calendar - we always discuss a national calendar published early. however, most show dates aren't announced until 30 days prior. Suggestion is to encourage people at the Annual Meeting to submit their dates as early as possible, independent of their show application. One other option is to email all farms for tentative or provisional dates? Could also ask hosts to submit incomplete or preliminary applications in January, subject to supplementation later. Any details can change, up to 30 days prior to the show. Even last minute / emergency changes can be worked out less than 30 days prior to the show.

World Championship Qualification Amendment - Flex Spots

Provided that there would be unused spots for the USIHC to send riders to the world championships, the National Team's Team Leader and Team Trainer may nominate additional USIHC members to the WC team in their discretion. These nominated riders must be members in good standing with the USIHC and maintain the same citizenship and / or residency requirements as any other rider on the WC team. A maximum number of three adult flex riders shall be qualified per WC year, and a maximum of two youth flex riders shall be qualified per WC year. In no event shall the number of flex spot riders exceed the number of riders qualified through the non-flex process.

The purpose of these flex spots is to provide additional opportunities for USIHC Members in good standing who are not currently on the National Team or who do not meet the National Ranking requirements. Applicants seeking flex spots must otherwise meet all USIHC and FEIF requirements to participate at the WC on behalf of the USIHC, as well as timely apply for the WC flex spot under all other requirements, including timely video submission. Any horse / rider combination qualifying under this route needs to secure a minimum score in their WC tryout video of: 1. For Adults: 7.0 in T1, 6.7 in T2, 6.7 in V1, or 6.5 in F1; and 2. For Youth: 6.7 in T1, 6.4 in T2, 6.4 in V1, or 6.2 in F1.

These flex spot nominations only are available if there are unused openings on the USIHC World Championship Team after all riders who have qualified through the existing WC tryout and qualifications process have been offered a spot.

In addition to the cost of submitting a video submission for the WC tryout, any rider admitted to the WC team with a flex spot shall pay a \$1,000 team fee to the USIHC.

Horse / rider combinations must apply in writing for any available flex spots by the WC submission deadline of the WC year. Applications shall be addressed to the Team Trainer and Team Leader, copying the USIHC President, Vice President, Secretary, and Treasurer. Applications shall include a list of the rider's full competition results for the past two years, and a personal statement detailing why the rider believes they fit the considerations outlined below. The Team Trainer and Team Leader may request what additional information or materials they deem fit from any applicant.

When exercising their discretion, the Team Leader and Team Trainer are directed to consider:

1. The horse / rider's recent competition results and performances as a whole;
2. The rider's overall contributions to the USIHC membership and overall community of icelandic horses in the United States;
3. Whether the rider(s) will make for a more inclusive, well-rounded, and competitive team; and
4. Whether the rider(s) are likely to use their experience at the WC to improve and support the USIHC's mission and community as a whole.

The Team Leader and Team Trainer are directed to use their discretion to field the most inclusive, well-rounded, competitive, and member-serving WC team possible.

Any nominations to the WC team under this policy must be ratified by the USIHC Board of Directors.

Code of Conduct for Sport Judges at USIHC National Ranking events

By accepting an invitation to judge at a USIHC National Ranking event the judge commits to act in accordance with the following standards:

1. The judge seek to have a neutral, independent and fair position towards riders, owners, trainers, organizers and other officials and integrate well into a team. Financial and/or personal interest shall not influence or be perceived to influence their way of judging.

2. The judge will avoid any actual or perceived conflict of interest. Activities which will lead to or may lead to a “conflict of interest” when judging at a USIHC National Ranking event includes but are not limited to:

- Coaching/training a horse/rider during and two days prior to an event.
- Judging a test where one is owner/part-owner of horses taking part.
- Being in a situation of financial dependence or gaining financial profit from
- owners, riders, trainers, organizers or other related organizations.
- Having a close personal relationship with a competitor. A judge should not judge
- classes where his/her spouse, children, siblings or parents are competing.
- Inappropriate use of social or other media before, during and after the event.

3. The judge will notify the USIHC Sport Leader and the event organizer of possible conflicts of interest or situations that may be perceived as such.

4. During the event the judge will be punctual and conduct him/herself in a professional manner at all times. The judge will be well prepared for the tests he/she is judging and must cooperate well with the organizer, colleagues and other officials. The judge will not consume alcohol until after the day's judging is finished and will keep the use of mobile phones and/or other electronic communication devices to the minimum.

By accepting an invitation to judge a USIHC National Ranking event the judge commits to these standards and is aware that the USIHC has the right to undertake disciplinary actions against judges who do not follow this Code of Conduct and FEIF rules. Such disciplinary actions may consist of: (1) Warning letter (2) Temporary suspension and (3) Removal from the USIHC Judges' list.

Quarterly Committee report
November 7, 2024
submitted by Nancy Brown

Issue Four 2024 of the Quarterly is now at press. The e-Quarterly should be ready to be released around November 15, with printed copies mailed on December 1. We are printing 625 copies of this issue; there will be no extra copies available for promotional purposes until March, as we have very few back issues in stock.

Issue Four 2024 of *The Icelandic Horse Quarterly* continues our series of interviews with members of the National Team, reports on the FEIF Youth Cup, investigates the history of Icelandic horses in America, and discusses helping a horse lose weight and research on the effects of competition shoeing on biomechanics, as well as sharing news from the USIHC Affiliated Clubs, the Board of Directors, and our parent organization, FEIF.

We are now open for submissions for Issue One 2025, to be mailed in March. Board members and committee chairs, please send us any news, photos, meeting minutes, announcements, or advertisements that you would like to share with the membership. Remember that ads for USIHC-sponsored events are free, space permitting.

Deadline for submissions for Issue One 2025 (mailed in March) is January 1. Please send all submissions to quarterly@icelandics.org.
